From marine to hospitality, cleanability and durability are the hot topics of conversation. [FORBID](#), with its graffiti resistant topcoat, eliminates replacement costs, preserves upholstery integrity, luster and softness to increase overall customer satisfaction. Tough stains such as ink, sharpie, lipstick, red wine, coffee or indigo dye are simply no match for FORBID.

HOW IT WORKS

FORBID is not just a surface treatment but is cross-linked into the surface of the coated fabric, allowing it to be cleaned over and over again without compromising the integrity of the fabric.
