HIGH UV INDOOR/OUTDOOR UPHOLSTERY FABRIC
FEBRUARY 2022

Refreshed Classics

Modern Appeal

Bold Brights

Comforting Neutrals

Timeless Textures

Designed for Open Living

The Rain or Shine II collection will transform and compliment any environment with timeless designs that provide comfort, structure and style. Offered in a variety of hues, from eye-catching brights to calming neutrals, each pattern invites you to mix, match, and layer!

Colors stay vivid with built-in UV protection and fade resistance; a perfect choice for both indoor and outdoor applications. The eight patterns in this collection deliver a light-hearted yet sophisticated attitude with modern appeal. Breezeway and Pavilion impart weave interest, depth and movement while Veranda and Market revitalize two classic stripe layouts. Mezzanine and Lanai supply a structural element to any space. These more engaging patterns are grounded by Haven and Abode. The subtle textures imply simplicity and easily transition season to season! These expertly curated, high performance fabrics are lightfast, stain resistant and bleach cleanable. Rain or Shine II offers versatility and durability for both indoor and outdoor living. No space is off limits!

A curved outdoor sofa with a light grey textured fabric is positioned on a wooden balcony. The sofa is adorned with several pillows in various colors and patterns: a bright orange and white striped pillow, a solid lime green pillow, a blue and white striped pillow, a solid light blue pillow, a solid cream pillow, and a solid light green pillow. The balcony railing is made of dark wood with vertical slats. In the background, there is a clear blue ocean and a tree with yellow leaves. A wooden table with horizontal slats is partially visible in the foreground.

The original Rain or Shine collection of stain and fade resistant, bleach cleanable fabrics include Cabo, Bimini, Florida Straits and Zanzibar. The two classic plains are sure to easily adapt to any project while the two invigorating stripe layouts will bring energy to any space! With built-in UV-protection, these fabrics are sure to look their best all year round!
